SUBJECT: **NEW DRUG/MEDI-CAL EXHIBITS FOR TARZANA TREATMENT CENTER**

On June 10, 2008, the Board of Supervisors delegated authority to the Department of Public Health to enter into agreement to add additional exhibits with current Drug/Medi-Cal (DMC) agencies, following County Counsel's review and approval.

This is to inform you about our intent to add three additional exhibits to Tarzana Treatment Center for DMC services for Fiscal Years 2009-2011. The agency will be providing services at the following locations:

18646 Oxnard Street
Tarzana, California 91356
Supervisory District: 3rd

18700 Oxnard Street
Tarzana, California 91356
Supervisory District: 3rd

44443 North 10th Street
Lancaster, California 93534
Supervisory District: 5th

Attachment 1 is a description of the services affected by this amendment and Attachment 2 outlines the agency's current and proposed funding amounts.

Drug/Medi-Cal Services - Descriptions

Perinatal Day Care Habilitative Services (Federal Drug/Medi-Cal)

Perinatal day care habilitative services are non-residential programs which provide treatment and recovery services to pregnant and postpartum women who use alcohol and/or other drugs, and their children. These programs provide services that are more intensive than a visit but less extensive than a 24-hour residential service, in a clean, alcohol and drug free, sober environment.

Program clients participate at least three (3) hours per day, three (3) times per week and return to their own residences at night. Program services are available for a minimum of six (6) hours per day, six (6) days per week. Priority admission to the program is given in the following order: (a) pregnant injecting drug users and (b) pregnant women using alcohol and/or other drugs.

Outpatient Drug Free Services (Federal Drug/Medi-Cal)

Outpatient drug free services include crisis intervention, counseling, and client referral services for people who are Medi-Cal eligible. Clients receive counseling at least twice within each thirty (30) day period.

Day Care Habilitative Services (Federal Drug/Medi-Cal)

Day care habilitative services are non-residential programs which provide counseling and rehabilitation services to people who are Medi-Cal eligible. Clients participate in scheduled, formalized services three (3) or more hours per day, but less than twenty-four (24) hours, throughout the day at least three (3) times per week. Program services are available for a minimum of six (6) hours per day, six (6) days per week.

Narcotic Treatment Program Services (Federal Drug/Medi-Cal)

Narcotic treatment program services provide for the administration of methadone and/or levoalphacetylmethadol, at relatively stable dosage levels for a period in excess of 21 days, as an oral substitute narcotic drug accompanied by ancillary social and medical services for individuals 18 years or older who have a history of two or more years of dependence on heroin or other morphine-like drugs, and two or more failures in alternative treatment programs. Services are provided to Medi-Cal eligible beneficiaries.
